You may always been yearning to fly like a bird or maybe a helicopter flight has been a long-standing dream of your, come join Everest Base Camp Helicopter Tour with us for flight of a life time!

Incredible Everest base camp heli tour Overview :

Every year almost a million tourist visit Nepal and over 150,0000 fly to Everest region to witness the Khumbu Valler's spectacular beauty and the world famous 8000 + mtr. Himalaya range including Mount Everest. Our helicopter tour to Everest base camp has long been a favorite Heli ride for many tourists.

The famous Everest Helicopter tour is a time-saver to have a pleasant experience on Everest who have short time as this is just a day trip (5 hours max). The Everest Khumbu region's natural beauty is best seen from the sky, where you enjoy panoramic and close up view of high snow-capped Himalayas, glaciers, incredible landscape and famous Sherpa settlements. About four-hour journey across the Khumbu region in helicopter - a must do adventure in life!

The fantastic aerial helicopter tour begins in Kathmandu airport, the comfortable forward-facing seat offers you unparalleled views of the world's tallest peaks. This thrilling excursion takes you through the beautiful Everest region in a luxury helicopter for a fantastic Nepal tour experience you will never forget in life!

In our luxury helicopter ride tour , you will enjoy close up views snow-capped peaks as flight almost flies above the Khumbu glacier and the Everest Base Camp. After a 20-25 minute flight, the helicopter lands at Kala Patthar (5,545 meters) or does overfly of Everest Base Camp (53 meter. The interesting fact is you will get the face to face view of tallest mountain on earth Mt. Everest, Nuptse west face, Lhotse, Khumbutse, Pumori, and Ama Dablam all mountain in one go.

Once you enjoy and capture this beautiful moment, you will fly to Everest view hotel for breakfast. You can enjoy a hot breakfast with a fantastic view of the Himalayas surrounding you. After this, you will eventually fly back to Kathmandu with a few minutes of a stop at Lukla for refueling. Once you arrive at Kathmandu airport, we will take you back to your hotel.

The stunning aerial views of the Everest mountain range will leave you mesmerized. Besides, you can also opt for different heli tours to other popular trekking regions. It includes Annapurna Base Camp Heli Tour, Langtang Gosainkunda Heli Tour, Manaslu Heli Tour or Mustang Heli tour. So if you have short time and love to see Nepal's amazing mountain scenery please come and join our Everest Heli tour.

The whole Idea to show you close up world's highest mountains by helicopter in a short time giving a chance to click some good photos.
