Tikhedhunga - Ghorepani

After a mouth watering mountain breakfast at the tea house we start the trek of the day. Probably the most difficult day of the trek in the sense the trail goes only higher on elevation. The first part of the trek is a steep upward walking for about 2 Hrs and then a gradual upward walk. The walk on the stone paved steps is a daring adventure early in the morning. The whole trail leads you through village and forest to Ghorepani and all the adventure that you dare through out the day will be rewarded when you reach Ghorepani with magnificently close up view of the Himalaya (given the weather is clear). We will stay the night at a Guest House at 2850 meters.

We will hike to Poon hill, the highlight of the trip, about 1.5 Hrs early in the morning to see a spectacular sunrise and the mountain views of 10 different peaks. We will trek back to Ghorepani for the breakfast. After enjoying the second mountain breakfast, we will trek to Tadapani, another great place to take a close up view of the Himalaya. It is a pleasant walk through a lush green forest. Eventually we will stay the night at a guest house at 2700 meters.

Day 7

Tadapani - Ghandruk
